

## SEP170 PRO™ tunnel bow/stern thruster 24V

### Spare parts (valid from 2016-08-29)

# SLEIPNER

| #  | Name                             | Item Code  | Description                                    |
|----|----------------------------------|------------|------------------------------------------------|
| 1  | Propeller                        | 10 1271 RH | Propeller, Q-Prop™ Ø250mm RH                   |
| 1b | Propeller                        | 10 1271 LH | Propeller, Q-Prop™ Ø250mm LH                   |
| 2  | Propeller drivepin               | 9 1241     | Drive pin propeller SE120-300                  |
| 3  | Propeller washer                 | 20 1181    | Washer M16                                     |
| 4  | Locknut                          | 10 1260    | Lock nut M16 for propeller                     |
| 5  | Anode                            | 20 1180 A  | Anode kit, aluminium aloy (Al-Zn-In)           |
| 6  | Gasket                           | 10 1312    | Gasket for gearleg/tunnel SE130/170/210        |
| 7  | Driveshaft key                   | 10 1440    | Key for drive shaft 6x6x16mm, SP95/125++       |
| 8  | Gearleg bolt                     | 10 1080    | Bolt M10x50 Umbraco                            |
| 9  | Complete gearleg                 | 13 0603    | Gearleg SE170/210                              |
| 10 | Complete motor bracket           | 10 0501    | Motor bracket SE130/170 + SH240                |
| 11 | Complete flexible coupling       | 7 1463     | Flexible coupling SE120/130/150/170            |
| 12 | Brushes for motor (kit)**        |            | **                                             |
| 13 | Brush springs for motor (kit)**  |            | **                                             |
| 14 | Electric motor                   |            | N/A                                            |
| 15 | Key for eletric motor shaft      | 10 1440    | Key for drive shaft 6x6x16mm, SP95/125++       |
| 16 | Solenoid bracket kit***          | 10 0135 24 | Solenoid bracket kit SE100-300                 |
| 17 | Internal wiring loom             | 6 1222     | Wiring loom                                    |
| 18 | Internal wiring loom             | 6 1223     | Internal wiring harness for PRO™ models        |
| 19 | Solenoid***                      | 1013703    | Solenoid SE150/170/210/250/300 + SP200/240/285 |
| 20 | Complete solenoid kit            |            | N/A                                            |
| 21 | Solenoid Cover***                | 20 2027    | Solenoid cover SE150/170/210TC + SP240/285TC   |
| 22 | Nut for solenoid cover           | 6 8810     | Nut for solenoid cover SE80-SP285              |
| 23 | Complete electric motor assembly | 10 0104 24 | Electric motor SEP/SR/SRP/SRV/SRVP170 24V      |
| 24 | Temp sensor                      | 31091      | NTC Temperature probe M5 L=300mm               |
| 25 | PPC                              | PPC820     | PPC820 PRO™ power control unit                 |
| 26 | PPC control cable                | 6 1280-05M | Cable thruster control 5m                      |

(12) \*\* Please provide thruster serial # when ordering brushes and brush springs.

(13) \*\* Please provide thruster serial # when ordering brushes and brush springs.

(16) \*\*\*Thruster serial # up to > 1506321-xx must use 10 0140 24

(19) \*\*\*Thruster serial # up to > 1506321-xx must use 41371242

(21) \*\*\*Thruster serial # up to > 1506321-xx must use 10 2025

The installer alone has responsibility for the installation of the spare parts. Side-Power only warranty the spare parts supplied only.
